Manager, IRP Student Risk and Assurance

2-year term position
The University of British Columbia
Vancouver BC

About Us
UBC has appointed a Chief Assurance & Risk Officer with the mandate to create a strategic unit “Office of Enterprise Risk and Assurance (ERA)” that is sought after for advice and counsel by organizational leaders across both campuses. ERA includes the functions of Internal Assurance (Audit) and Enterprise Risk Management. One of ERA’s mandates for the next three years is to provide integrated risk and assurance services to support the university’s Student Information System replacement, known as the ‘Integrated Renewal Program – Student’ (IRP Student).

The IRP Student Risk and Assurance function has been created to provide independent and objective risk and assurance services to the UBC Board of Governors, the executive team and other organizational leaders throughout the IRP Student transformation.

The Opportunity
This 2-year term position will report to the Assistant Director, IRP Student Risk and Assurance and plays a critical role in ensuring key technology risks relating to IRP Student are identified, assessed and appropriately mitigated, in a timely manner. The Manager will work closely with the Senior Consultant and a co-sourcing Partner, as applicable, to deliver the three-year IRP Student Risk and Assurance plan.

What You Bring
- Minimum of 5 years of experience and knowledge in providing technology-related risks and assurance services
- Professional IT and non-IT designations in risk management, assurance/audit and/or compliance (e.g., CISA, CRISC, CGEIT, CRM, CRMA)
- Experience providing IT risk and assurance services for large-scale transformation programs / ERP implementations (e.g., business process and transformation, IT governance, Privacy / Cybersecurity, Cloud, Interface and Integrations, Enterprise Architecture reviews)
- Experience preparing and presenting materials to senior stakeholders

About the University’s Integrated Renewal Program
UBC has embarked on a multi-year journey to transform its academic and administrative support processes and system environments for the entire UBC community. Following the successful completion of major renewal projects related to UBC’s Human Resources and Finance systems under the IRP in 2020, work is now underway for the next stage of IRP - to renew the student information ecosystem, anchored by the implementation of Workday Student.

IRP Student will leverage the industry-leading cloud enterprise solution, Workday, to replace UBC’s current core student administration systems with a new integrated, user-friendly, mobile-enabled platform. This project has a high degree of complexity, influence, and impact as our solution is designed for the majority of constituents in the UBC community. UBC is one of the first Canadian institutions to implement Workday for this purpose.
For more information on the IRP Student, please visit [www.irp.ubc.ca](http://www.irp.ubc.ca)

**Why work at UBC?**

- **UBC is proud to rank 37th globally in the 2022 THE World University Rankings** ([https://bit.ly/3ywT7dY](https://bit.ly/3ywT7dY)).
- **UBC is ranked 2nd Best University in Canada**
- **UBC has been recognized as one of BC’s Top Employers**, UBC offers faculty and staff a family-friendly work environment with paid vacation, as well as a comprehensive benefits plan.
- **UBC has implemented a remote work program**, modelled to respect the highly different roles and contexts that exist across UBC.
